Dear [Recipient Name],

I am writing to propose an art festival titled "LIKHAI: Building a creative community" which will be held on the third week of August 2023 at [location] in Marinduque. This workshop aims to provide the local community with an opportunity to add value to the natural beauty and cultural heritage of Marinduque Island through art.

LIKHAI: Art Exchange is a four-day event that aims to bring together artists and artisans from Marinduque to showcase and exchange their artistic talents. The event will feature various art activities, such as painting, drawing, sculpture, and mixed media, all led by experienced art teachers. The program will also include live music performances, art exhibitions, and local food vendors to showcase the rich culture and talent of Marinduque.

Activities:

- Art Workshops: Art teachers will lead workshops on various art forms, such as painting, drawing, sculpture, and mixed media, open to all ages and skill levels.

- Art Exhibitions: The event will feature a curated art exhibition of local artists and artisans.

- Art talk and Keynote speeches: Creative industry leaders will share their experiences and insights on topics such as creativity, innovation, and business strategy.

- Live Music Performances: The event will feature live music performances by local musicians and performers.

- Local Food Vendors: The event will feature local food vendors to showcase the rich culture and culinary traditions of Marinduque.

- Community Art Project: Participants can contribute to a community art project, such as a mural or sculpture, to foster community building and creativity.

Program Description

Our program will feature a series of artist talks from some of the most influential and innovative voices in the industry. These talks will cover a wide range of topics, from the latest trends and techniques to the challenges and opportunities facing today's artists.

In addition to the artist talks, we'll also be hosting a series of simultaneous workshops where 5-10 chosen local participants per workshop can get hands-on experience and learn practical skills from experienced professionals. Whether you're a seasoned pro or just starting out, these workshops are the perfect opportunity to sharpen their skills and take their art to the next level.

Our program flow is designed to maximize your learning and networking opportunities, with plenty of time built in for breaks, refreshments, and networking with other attendees.

Workshops will be facilitated by Alitaptap Artist Community and Company
